

Jobs you can do - the Cafe

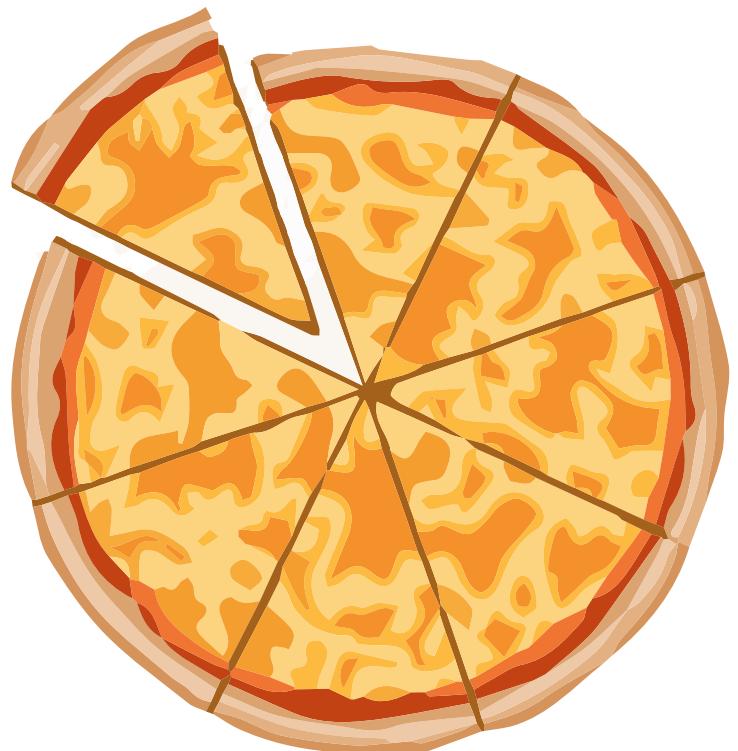

Topping a pizza

Most pizzas have a tomato sauce spread on the base and some cheese sprinkled on top. Here are some other toppings a pizza might have:

Can you think of any others? If so, write or draw them below:

Now you can design your own pizza. Write or draw up to 5 toppings that you would like on the pizza below:

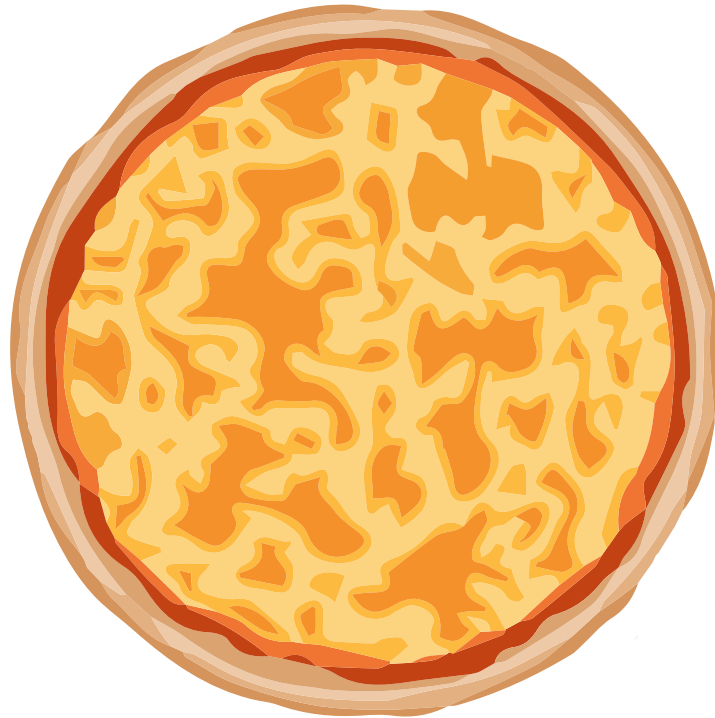

If you work in a café you will top pizzas for other people.

Some people do not want some foods. Here are some examples:

A vegetarian will not want meat.

A vegan will not want meat or cheese.

Can you design a pizza for a vegetarian or a vegan?

Some people cannot eat some foods because they make them unwell.

Do you know anyone who cannot eat some foods? You could talk to them about this.
