

Jobs you can do - the Shop

Can you make a poster to advertise the honey sold at the shed shop?

First, think about what needs to go on the poster. Can you answer the two questions below?

What are you selling?

What does it cost?

Can you think of any other reasons people might buy this honey? Here are some questions to help:

How does it taste?

Where does it come from?

Now it is time to make your poster! You can try out your ideas in the space below then make a big poster on a new piece of paper.
